2. What is the offer period of the Campaign?

The Campaign offer is available for a limited period only. Application must be submitted within the offer period and the Company will not accept any application made outside of the offer period. Each Selected Customer is entitled to submit only one (1) application under this Campaign. If multiple applications are received from the same Selected Customer, all additional applications will be rejected. For assistance with the enrolment process, kindly contact your servicing agent or the Company, if you do not have a servicing agent.

3. Should I maintain my Existing Medical Plan(s)/Rider(s)?

This Campaign is designed to provide you an affordable and hassle-free solution to enhance your medical protection. As the new policy comes with a high-deductible feature and excludes certain pre-existing conditions (refer to Question 1 above), maintaining your Existing Medical Plan(s)/Rider(s) will ensure continuous and comprehensive protection.

By having both the policies, your Existing Medical Plan(s)/Rider(s) will continue to cover medical expenses as usual. Once its benefits are exhausted (or not available under the Existing Medical Plan(s)/Rider(s)) and the deductible under the new policy is considered fulfilled by the Existing Medical Plan(s)/Rider(s), the new policy will step in to cover remaining eligible costs up to the applicable limits of SHPE / GMVE, subject to the terms and conditions of The Great Journey pathway (applicable to GMVE). Please note that claims under the new SHPE / GMVE will be subject to standard review process upon your request or notification from hospital. **You may refer to the Campaign Frequently Asked Questions (FAQ) available on the corporate website for some claims scenarios**.

In this respect, you may consult your servicing agent to review your insurance coverage and benefits in accordance with your needs and select the best option that suits you.

4. What will happen to my Existing Medical Plan(s)/Rider(s) after I have applied for the SPYE + SHPE / SPYE + GMVE under this Campaign?

Your Existing Medical Plan(s)/Rider(s) including all secondary medical riders, will remain in force. There will be no impact on the benefits of the Existing Medical Plan(s)/Rider(s). The new policy will serve as an additional layer of protection, enhancing your current medical coverage and helping to cover medical expenses that may exceed your current coverage limit.

5. I applied for SPYE + SHPE / SPYE + GMVE under this Campaign but later terminated the policy. Will this affect my Existing Medical Plan(s)/Rider(s)?

No, terminating SPYE + SHPE / SPYE + GMVE will not affect your Existing Medical Plan(s)/Rider(s).

Yes, you can still proceed with the application for the new SPYE + SHPE / SPYE + GMVE provided the upgraded / converted medical plan is in force.

However, please note that if the Existing Medical Plan(s)/Rider(s) has been upgraded / converted to Smart Health Protector (SHP) or GREAT MediValue (GMV), the application for SPYE + SHPE / SPYE + GMVE will be declined. This is because only one (1) SHP / SHPE or GMV / GMVE policy per life is allowed.

Once the limit under the Existing Medical Plan(s)/Rider(s) has been fully utilised, you may submit another claim for any remaining eligible expenses under the new SPYE + SHPE / SPYE + GMVE, subject to the SHPE / GMVE's deductible amount, benefit's limits, terms and conditions of The Great Journey pathway (applicable to GMVE) and exclusions on the pre-existing coverage. Please note that claims under the new SHPE / GMVE will be subject to standard review process upon your request or notification from hospital.

34. **I have an existing medical plan(s)/rider(s) or medical plan from other companies. How can that be used to offset the deductible amount of this new SHPE / GMVE?**
You can use claims from existing medical plan(s)/rider(s) or medical plan from other companies to offset the deductible amount for your new SHPE / GMVE, as long as they meet the deductible requirement, benefit's limits, terms and conditions of The Great Journey pathway (applicable to GMVE), pre-existing coverage and related to the same hospitalisation or treatment. When submitting your claim, please include all required supporting documents, such as the hospital bill and proof of payment from the other insurer and etc. For further assistance, you may contact your servicing agent or the Company.
